

BUST IT

With a combination of biodegradable ingredients, including natural bacterial cultures and fermentation extracts, BUST-IT Pet Stain & Odour Buster is specially formulated to remove nasty pet stains and odors from all types of surfaces (carpets, upholstery, furniture, ceramic tile, wood floors, etc). It even works on porous or damaged surfaces. BUST-IT Urine Buster has a special urine-fighting formula to tackle stubborn cat urine stains & odours. Both BUST-IT Pet Stain & Odour Buster and BUST-IT Urine Buster are highly effective in eliminating all types of pet stains caused by organic matter (feces, blood, vomit, etc) and are certified under the Ecologo™ program for their environmentally-friendly nature.

- Bust stubborn pet stains
